**El Tucán** – 1111 SW 1st Avenue, Miami

Make it a Cuban night over at **El Tucán**, Miamians favorite spot to dine and be entertained. It's set up like a cabaret where you'll get to watch dance and music performances while enjoying a delicious Cuban dinner. This exciting and chic location has a delicious menu with the unique dinner-and-a-show spin on your night out.

Plan on Latin-inspired cuisine while enjoying a performance backed by the 11-piece orchestra in the back of the house. You'll love the variety of food from the ceviche to the guacamole, the wagyu beef and the octopus served in large portions. Plus, the drink program is killer. You can find this one in Brickell between SW 11th and 12th Streets.
